

Revised Guidelines For Selection Of NYVs

Revised Guidelines for selection of NYVs

1. Background

- The Competent authority has directed that the entire selection process of NYVs for the year 2018-19 should be completed at the earliest in a transparent and time bound manner. Further, NYV trainings should be planned in advance.
- In view of provision of the scheme of NYC, it has been decided by the Competent Authority to deploy **fresh batch of meritorious young candidates** having dedication, talent, enthusiasm and fulfilling the *required* conditions as NYVs.
- It is made clear that in order to streamline the system of deployment of NYVs, **the following aspects are to be followed:-**
 - a) Any volunteer, deployed against any vacancy in between, should be deployed for the remaining period only, of that financial year (up to 31st March). This will ensure that from April, the whole system of NYV deployment will be as per financial year i.e 1st April to 31st March.
 - b) For considering continuation of any volunteer in the 2nd year, proposals along with details of specific achievements made by the particular NYVs may be placed before the NYV selection committee for necessary decision.
 - c) In case, the deployment process is delayed due to election code of conduct and other reasons, then the deployment should be made only up to the remaining part of the financial year i.e up to 31st March, of that year. Further, in case their term is extended in the 2nd year, the extension will be up to 31st March of the extended year or completion date of their 2nd year term **whichever is earlier**
- **This is mainly due to the reason for selecting highly meritorious /talented / dedicated NYVs and completing deployment and trainings in an uniform manner across the country.**
- Accordingly, deployment and training schedule has been designed to ensure **completion of fresh deployment, 2018-19 & conducting NYV trainings** at the earliest.
