

Government of India
Ministry of Science & Technology
Department of Biotechnology

Bharat Immunologicals & Biologicals Corporation Limited (BIBCOL), a Central PSU, under the administrative control of Department of Biotechnology (DBT), Government of India, invites application from eligible candidates for various positions. The vacancies are on contract and are for two years; can to be extended for another two years depending on the requirement. The number of posts, qualification and experience are as under –

S. No.	Name of Post	Number of vacancy	Minimum Qualification	Desired Experience
1.	Suit Manager	01	Post graduation in life sciences or engineering	12 to 15 years in manufacturing wherein 4 years spent in managing vaccine manufacturing operations. Candidate should be well versed with conceptualization, designing, P&ID and process flow diagram of unit operations of vaccine manufacturing, national regulatory requirement for cGMP and decontamination procedures, Experience in scale-up of upstream and downstream operation up to 1000L of scale, Must have hands on experience with fermenters, TFF and sterile operations, knowledge on process sequences such as CIP, SIP, PHT, Media hold, APS, aseptic intermediate transfer, buffer supply strategy and decontamination procedure, and knowledge on QMS system
2.	Supervisor (washing, autoclave and media preparation)	01	Graduation or post-graduation in life sciences or engineering	8 to 10 years in manufacturing wherein 2 years spent in shift in-charge for vaccine manufacturing operations. Candidate should have experience in media & buffer preparation, autoclave preparation and managing a team for the same. Well versed with operations such as CIP, SIP, PHT, APS processes, Must have hands on experience up to 1000L vessel, Knowledgeable on cGMP requirements, Writing quality documents such as SOPs, RSTs, BMRs, APS report etc.

3.	Supervisor (Upstream process)	01	Graduation or post-graduation in life sciences or engineering	8 to 10 years in manufacturing wherein 2 years spent in shift in-charge for vaccine manufacturing operations. Candidate should have experience in fermentation, harvest, decontamination, aseptic operation, microbiology techniques and managing a team for the same. Well versed with operations such as CIP, SIP, PHT, APS processes, Must have hands on experience up to 1000L vessel, Knowledgeable on cGMP requirements, Writing quality documents such as SOPs, RSTs, BMRs, APS report etc.
4.	Supervisor (Downstream process)	01	Graduation or post-graduation in life sciences or engineering	8 to 10 years in manufacturing wherein 2 years spent in shift in-charge for vaccine manufacturing operations. Candidate should have experience in TFF, centrifugation, decontamination, aseptic operation, in-process control test and managing a team for the same. Well versed with operations such as CIP, SIP, PHT, APS processes, Must have hands on experience up to 1000L vessel, Knowledgeable on cGMP requirements, Writing quality documents such as SOPs, RSTs, BMRs, APS report etc.
5.	Lab Staff (QC Microbiology Lab)	02	BSc degree in microbiology or biochemistry	1-3 years' experience in microbiology assays to support IPC and Release microbiology assays
6.	Lab Staff (QC Biochemistry Lab)	02	BSc or MSc degree in biochemistry, chemistry or analytical chemistry	1-3 years' experience to support IPC and Release biochemistry and chemistry assays
7.	Lab Staff (QC Bioassay Lab)	02	BSc degree in immunology, microbiology or biochemistry	1-3 years' experience in running immunoassays, demonstrated experience with ELISA preferred

Pay for position mentioned at S. No.1: Rs. 120000/- per month consolidated

Pay for position mentioned at S. No.2 - 4: Rs. 65000/- per month consolidated

Pay for position mentioned at S. No.5 -7: Rs. 42500/- per month consolidated

The eligible candidates can apply on prescribed format. The candidates working in central government/state government, central PSUs and State PSUs should apply through proper channel.

The last date for submission of application is 28-06-2019 (5.00 P.M.). In the top of envelop please mention clearly, “Application for vaccine project”

Completed application along with relevant documents should be submitted by post or courier (preferably DTDC courier) to:

HOD (P&A)
Bharat Immunologicals and Biologicals Corporation Limited (BIBCOL)
OPV Plant, Chola-203203
Bulandshahr, U. P.

APPLICATION FORMAT

1. Post applied for.
2. Name of the candidate
3. Father's/ Mother's Name
4. Nationality
5. Date of birth
6. Marital Status.
7. Postal Address (Including Mobile Number/ Tel/ Email. ID).
8. Permanent Address.
9. Language Proficiency (State Good, Fair or Poor)

Languages/ Specified	Speak	Read	Write

10. Educational qualifications showing the details of degree/ diploma, year of passing marks obtained and University/ Institution (in chronological order).
11. Training attended/ working experience indicating nature and period of work, designation, salary/ emoluments and salary last drawn, employers/ institution in chronological orders with reasons for leaving.
12. Category (General/ SC/ST/OBC/Physical handicapped).
13. Any other relevant information that the candidates are required to furnish/ would like to give.
14. Have you ever been convicted of a criminal offence or been dismissed from employment.
15. References (at least two) (Name & Occupation, Tel. No. Mobile No. E-Mail)

DECLARATION

I declare that all the information given in my application is correct to the best of my knowledge. I understand that any false information supplied could lead to my application being disqualified or my removal/ dismissal if, I am appointed.

Place:

Date:

(Signature)

- Note:
- (1) Application should be accompanied with attested copies of certificates and testimonials to prove qualification, experience, training, age, and caste in case of SC/ST/OBC etc.
 - (2) Candidates who are employed in Govt. semi-Govt/public sector undertakings should apply through their employers. Candidates are welcome to

submit advance copy of applications and in such cases he/ she would be required to submit a "No objection Certificate" from the employer at the time of interview.

(3) Women candidates are encouraged to apply.

(4) The last date for submission of application is 28-06-2019 (5.00 P.M.).
